Serving the insurance needs of residents throughout the Pioneer Valley is a long-standing tradition at Webber and Grinnell. Our dedicated and experienced staff takes pride in their personalized approach to the specific needs of every client.

We'll help you select the right coverage for everyone in your family while keeping premiums affordable. But our work doesn't stop there. We will guide you through every step of the claims process, and connect you to a network of local service companies that can help smooth a difficult event.

From its inception in 1982, Plymouth Rock Assurance has grown to be a thriving Massachusetts based auto insurer that takes pride in delivering more than just insurance to its policyholders. They deliver the added assurance of great value, ease, service and innovation. Their approach has made their agents and policyholders among the most loyal in the industry. Plymouth Rock's rates are among the lowest in the state and are competitive to a wide range of drivers.

The additional 8% discount offered to Smith College employees will provide a great opportunity to save more on your auto insurance. See them online at www.prac.com.
