**Post MSW Fellowship 2007-2008**

Yale Psychiatric Hospital, a clinical affiliate of the Department of Psychiatry of the Yale School of Medicine, is offering a comprehensive training experience in intensive clinical services in psychiatry. Through consecutive placements in the Adult Day Program and the Adult Inpatient Unit, the training program will provide experience in assessment and diagnosis, individual, family, and group therapy (including CBT approaches), and clinical management and disposition planning with adult patients age 19 and older. Clinical supervision under licensed staff is provided, and seminars are focused on a wide range of relevant topics. A stipend along with a limited benefits package is available to Fellows of the Department of Psychiatry.

**Qualifications:** Graduation from a master's level social work program (MSW or MSSW) accredited by the Council on Social Work Education.

To apply, send an updated *curriculum vitae* and a brief letter of intent to the following address listed below. Applicants are encouraged to apply as soon as possible, but no later than May 15, 2007.
