

Attention!! Five College Center for East Asian Studies NCTA Alumni!

Recently we sent email messages about our 2009 Study Tour Program to nearly 1,500 NCTA seminar alums. More than 1,000 of the messages "made it" to the intended recipients—but more than 400 did not. Below are the names of NCTA alumni whose emails "bounced."

Please check the list and get back to us (fcceas@email.smith.edu) as soon as possible with your current/active email so that we can continue to alert you to the many opportunities for teaching and learning about East Asia! If you see any errors, please let us know.
