GENERAL INFORMATION

Your Financial Aid Application consists of two documents:

1. This form. Please note that Part F must be signed by parent(s) or guardian. You may submit the College Board International Student Financial Aid Application in lieu of this form.
2. A copy of your parents' most recent income tax return (translated), or a signed statement of income and benefits from each parent's employer. Please provide all documents in English.

Note: If your parents are currently residing in the U.S., you must also submit the PROFILE Form to the College Scholarship Service. (Visit www.collegeboard.com for information.)

This document and the tax return are to be sent by February 1 to: Student Financial Services, Smith College, Northampton, MA 01063, U.S.A. If you are applying Early Decision, forms are due on the same date as the application for admission. Be sure that you and your parent(s) or guardian sign this form.

Students are urged to apply for educational grants and scholarships from their governments and other agencies if such funds are allowed to be used in the United States. Our goal is to assist as many candidates as possible; outside grant aid allows Smith's funds to be offered to more students.

Ada Comstock applicants (age 24 and older) do not need to submit the PROFILE. Parents of Ada Comstock applicants are not required to sign this form.
