**SMITH COLLEGE OUTSIDE AID POLICY: Outside Aid Awarded on the Basis of Student Merit:** Smith College recognizes your achievement in being awarded merit based aid. Outside aid based on student merit will first reduce or replace the self-help portion of your award (federal work study and federal subsidized loan). If the outside aid exceeds the total self-help portion of your award, we will allow the aid to go toward a one-time computer purchase or toward the cost of the on-campus health insurance plan. If you do not purchase or have already purchased a computer, and if you do not accept the on-campus health insurance plan, or if your merit aid exceeds these costs, merit aid will replace Smith Grant on a dollar for dollar basis.
