8 great reasons to purchase at the Smith College Computer Store

1. We offer on campus repair.

Only systems purchased at the Smith College Computer Store are serviced on-campus by ITS Tech Services in Stoddard Hall. Plus, we have free loaners while your system is in the shop.

2. We are an Apple® and Dell Authorized Campus Store and Service Provider.

We offer professional guidance and advice from our certified sales staff during the purchase process. Our knowledgeable staff continue to provide great service after the purchase. Our focus is on you, not the sale—because unlike many retailers, our staff does not work on commission.

3. We know Smith College.

The Smith College Computer Store works with ITS to determine the recommended computer systems for the college. We know what you need.

✓ savings ✓ convenience ✓ support ✓ expertise

OK

So why the Smith Computer Store?

4. Same Day Try and Buy.

Because we have a sales floor area AND inventory on hand, you can demo various systems, purchase one, AND walk away with your new computer all during the same visit.

5. We feature great software discounts.

Check out our academic discounts on multiple software titles—including Adobe Creative Suite, and Microsoft Office University License.

6. We give back to the college.

The Smith College Computer Store is owned and operated by the college. We provide work study jobs to multiple students per semester. Additionally, buying direct from the Computer Store supports technology initiatives at Smith College.

7. We make ordering easy.

Use your Smith College login ID to access our online store: www.smith.edu/computerstore. Turn to page 17 for additional ordering options.

8. We save you money.

Most products sold at the Computer Store are at academically discounted prices. We work hard to ensure the products we offer are of the highest quality and competitive prices when academic discounts are not offered.

just wondering?

The Smith College Computer Store is conveniently located in Stoddard Hall.

Q: Where is the Computer Store located?

A: The Smith College Computer Store is located in Stoddard Hall 22, on Elm Street across from the Museum of Art. Also located in Stoddard Hall is the OneCard Office, User Support Center, and Computer Technical Services.

Q: Can I get technical support on campus?

A: Computer Technical Services, located in Stoddard Hall 34, is an authorized service provider for Dell and Apple. ONLY computers purchased through the Smith College Computer Store will be serviced by Technical Services. For non-Smith purchased equipment, you will need to contact the manufacturer or an off-campus service provider.

Q: What software will I need?

A: Smith supports the Microsoft Office suite (Word, Excel and PowerPoint). A four year student subscription is available through the store for \$79. Most software titles that students are required to use in class are available in Student Resource Centers; your instructor will provide you with access information.

Q: How does purchasing through the Computer Store work?

A: There are several ways to purchase through the Computer Store; in person, through the online store website, with a downloadable order form via fax or email, and over the phone. The store accepts MasterCard, Visa, Discover, American Express, Smith OneCard, checks, and cash. To determine if you are eligible for any financial loans or assistance, it is recommended that you contact Student Financial Services AFTER requesting a quote from the Computer Store.

Q: When should I purchase a computer?

A: Late June through September is the ideal time to purchase a system. Any additional back to school deals or discounts will be offered during this time.

Q: Can I purchase computers other than what is in this catalog?

A: Yes. Visit our online store and website to view all available computers from Apple and Dell. www.smith.edu/computerstore

Q: What is CompleteCare from Dell?

A: This is a FOUR-year parts and labor hardware warranty from Dell that covers manufacturer's defects as well as all accidental damage, such as cracked screens, spilled liquids, broken optical drives, etc. *NOTE: Batteries are considered consumable items and are covered for one year by Dell.*

Q: What is AppleCare® from Apple?

A: For up to three years from your computer's original purchase date, the AppleCare Protection Plan gives you direct, one-stop access to Apple's award-winning telephone technical support for questions about Apple hardware, OS X®, iLife®, and iWork®. *NOTE: Batteries are considered consumable items and are only covered for one year by Apple.*

Q: What is the Safeware Protection Plan?

A: The Smith College Computer Store and Tech Services have partnered with Safeware to provide warranty coverage AND accidental damage protection plans for computers purchased through the store. The laptop plan is for 4 years with a tablet and iPad® option available for 2 years. For further information see page 9 for details. <http://safeware.com/SolutionCenter/FAQ.aspx>

Why Mac for College

Designed to be a better computer.

Built for durability and full of the latest technological innovations, a Mac® is amazing from the moment you take it out of the box—and wherever you take it after that

Everyday applications that work together

The Mac makes everyday things—like doing research on the web, sending email, and managing your assignments and class schedules—amazing.

Long battery life

Finding a place to power up on campus isn't always easy. That's why Mac notebooks feature breakthrough batteries that can get you through your classes on a single charge.

It's compatible with your stuff

A Mac easily finds Wi-Fi hotspots and connects to your school network. It also works with almost every printer, camera, and Bluetooth-enabled device out there.
