Praxis Application Instructions 2016

Praxis Application Forms 2016

This booklet does not include the Praxis Application Guidelines. You will be responsible for the information contained in these guidelines. They can be found on our website at http://www.smith.edu/lazaruscenter/praxis_guide.php
Facts you need to know!

1. **Praxis deadline is Friday, April 29, 2016.** Applications must be dropped off at the Lazarus Center for Career Development no later than 4:30. If you are sending or faxing your application, it must be postmarked or fax-marked no later than April 29, 2016.

2. **Your faculty signature must be your Premajor, Major advisor, and Concentration Faculty Director if your internship is associated with a concentration (no exceptions).**

3. **Qualified internships must be at organizations not affiliated with Smith College.**

4. **Traveling Abroad (Internships outside the U.S. only):**
   A. **Junior Year Abroad students:** You must submit your applications from February 1, 2016 through the last day of your spring semester abroad or by Friday, April 29, 2016, whichever occurs later.
      1. Please complete the **Mandatory Travel Registry and the Travel Waiver Form** by going to the Short-Term International Travel page: [http://www.smith.edu/world/travel_individual.php](http://www.smith.edu/world/travel_individual.php).
      2. **REQUIRED:** Two copies of both your Mandatory Travel Registry (emergency contact information at internship site and travel waiver form) must be attached to application in order to receive funding even in home country (no exceptions).
      3. **Applications:** If you are abroad you may e-mail (praxis@smith.edu) or fax (413-585-2596) your Praxis application to the Lazarus Center. The cost of faxing is often very high overseas. To avoid the expense of faxing, plan ahead to ensure that you have enough time in advance of the application deadline.

5. **Field School:** Students may use Praxis Funds to defray the cost of credits/tuition associated with geology, archaeology & other comparable field schools. However, credits may not be transferred to Smith and counted towards the student’s degree.

6. **Student Insurance & Liability Waivers:** Some employers require interns to obtain liability waivers from their schools. Students who are asked to provide a waiver must go through the Five College Risk Management Office. Scroll to the bottom for Smith College instructions.

7. **Placement Organizations:** If you are going through a third party for your internship, **you must have the internship placement confirmed by your internship supervisor in order to complete your application (no exceptions).**

8. **Applications:** Only COMPLETED applications will be accepted. Additionally, the Lazarus Center **MUST** receive the Supervisor Confirmation Form and a letter on official letterhead or email sent to praxis@smith.edu from your host organization confirming that you have been offered an internship and describing your duties and supervision must be attached to your application. All communications from organizations must be submitted in English or translated by a faculty member.

9. **End of Internship (REQUIRED):**
   - **Supervisor Confirmation Letter:** Upon completion of your internship a letter on official letterhead or email sent directly to praxis@smith.edu from your host organization confirming that you have worked a minimum of 220 hours, and commenting on your work performance. Confirmation must be in English or translated by the department chair prior to submission.
   - **Summer Activity Report:** You must also complete the Summer Activity Report ([http://www.smith.edu/lazaruscenter/praxis_sar.php](http://www.smith.edu/lazaruscenter/praxis_sar.php))
   - **IMPORTANT:**
     a. Both documents must be completed no later than **August 31, 2016 (NO EXCEPTIONS).** Your second Praxis payment will not be issued to you until the Lazarus Center receives your information.
     b. Failure to provide both items will result in being charged for the **full amount of Praxis Funding** you’ve received and you will forfeit your final $200.00 stipend.

10. **Funds:** We have several endowed funds that are used specifically for Praxis funded internships. Should your internship be financed by one of these funds, you may be required to write the donor a thank you letter at the end of your internship. This will also be one of the requirements in order for you to receive your final $200 payment. If your internship is funded by one of these endowed funds, an email will be sent to your Smith email account soon after the start of your internship from the Development Office. Please give some thought during your internship about the highlights you would like to share with the donor who made your funding possible.

11. **Check your Smith email often!** All Praxis communications (including important deadline reminders) will be conducted via your Smith email account. If you are absolutely unable to access email you must provide an alternative means of communication.

12. **In the event that you do not complete your internship, you will be expected to return the full amount of the stipend or the prorated amount for the time you did work** (with verification from your supervisor).
