

Smith College Libraries Annual Report of Donors

JULY 1, 2002—JUNE 30, 2003

During the past year the Smith College Libraries have benefitted substantially from the thoughtfulness and generosity of our Friends. Gifts to the Libraries enhance our collections, allow us to acquire needed materials and initiate specific projects. The high quality of our Libraries is due in no small part to the enduring support of our Friends. Thank you for your interest and support!

The following is a listing of individuals and organizations who contributed to the Libraries in the past year. Every effort has been made to report accurately, but we encourage you to let us know of any errors.
