

Smith College Libraries Annual Report of Donors

July 1, 2006 – June 30, 2007

During the past year the Smith College Libraries have benefited substantially from the thoughtfulness and generosity of our Friends. Gifts to the Libraries enhance our collections, allow us to acquire materials and initiate specific projects. The high quality of our libraries is due in no small part to the enduring support of our Friends. Thank you for your interest and support!

Every effort has been made to accurately report all donors who have made a gift to the libraries. If we've made an error, please do let us know.
