

Physics Course Renumbering

These changes will take place starting in fall 2010. The new course numbers are already listed in the printed catalog for 2009-10, but registration for spring 2010 will still use the old numbers.

Name	Old number	New number
Modern Physics I	222	217
Modern Physics II	223	218
Electronics	224	240
Classical Mechanics	220	317
Electricity and Magnetism	214	318
Thermal Physics	348	319
Quantum Mechanics	340	327
Advanced Electrodynamics	314	328
Advanced Quantum Mechanics	341	337
