A conversation on nurse-midwifery

With:
Annie Heath, CNM, and Catherine Boshe, CNM of the Cooley Dickinson Center for Midwifery Care. Annie received her Master's degree in Nursing from Yale University and earned a certificate in Midwifery. Catherine graduated from Columbia University with a Master of Science degree in Midwifery and Bachelor of Science degree in Nursing. Annie has a special interest in understanding and evaluating maternal and infant health care issues in the Dominican Republic.

Pizza for the first 20 people.
