

Zipcar Pulls Recalled 2010 Toyota Prius from Fleet

Zipcar announced that the Company will not allow reservations for the recall-affected 2010 Toyota Prius hybrid vehicles in the Zipcar fleet until the brake concerns have been addressed appropriately by Toyota.

Zipcar will continue to monitor the recall closely and follow Toyota's recommendations and resolution. If Zipsters have questions about upcoming Zipcar reservations, they should contact Member Services at 1-866-4ZIPCAR (1-866-494-7227).

Zipcar previously announced the removal of the 2009 and 2010 Toyota Matrix models due to a safety recall. Repairs on affected 2009 and 2010 Toyota Matrix models continues to progress, with the first repaired units already back in service.
