Application to apply Transfer Credits toward the Latin Honors Distribution Requirements

ID	Name	Class	Box #

Students may request to have transfer courses apply toward the Latin Honors distribution. A course maybe used to cover only one field of knowledge. **Coverage normally requires four credits.** Therefore, you may need to apply more than one transfer course to meet the requirements of any one field of knowledge.

In the following section, please list the course(s) for which you are requesting an evaluation for Latin Honors distribution. Indicate the school where the course was completed, the credit value assigned by that institution and the appropriate field of knowledge you are proposing. Attach a complete course description for each course and submit the form and descriptions to the registrar's office. You will be notified immediately if your requests are denied or subject to additional information; otherwise, approved courses will appear on your next Latin Honors Supplement.
