Sanctioned Classrooms for All Self-schedule Exams Respective to Pick-up Location

**Please note that any lounges, libraries, or student electronic classrooms are not authorized locations to complete self-scheduled exams unless listed below. Completing an exam in non-pre-approved classroom constitutes as an academic infraction.**

It is highly suggested that students review multiple classroom options before taking their exams in their designated areas. Additionally, students should review the Smith College Academic Honor Code before the final exam period.

To find your designated exam pick-up location and self-schedule exam times and dates, please review the list of Self-Scheduled Exams on the Registrar’s Office website. www.smith.edu/registrar/exams_final.php
