

Residence Life Student Staff Reappointment Essay

Please answer the following questions on a separate piece of paper (typed) and submit them directly to the Residence Life Office:

- Why are you interested in the area/houses of choice?
- What has been the most meaningful aspect of the HR/HC/HCA position this year?
- What has been the most challenging?
- What skills have you developed in your current position?
- If you return, what would you like to improve upon? Please be as specific as possible.
- In what ways would you continue to contribute to the community and to the Residence Life staff?
- In what ways can the Department support you or help you improve?

Head Resident applicants only:

- What do you believe the differences are between your current position as an HC/HCA and the Head Resident position? How will you use your experiences to make a positive transition into the Head Resident role?
