

Brian Bride, Ph.D. – University of Georgia School of Social Work

Dr. Bride is Associate Professor and M.S.W. Program Director at the School of Social Work at the University of Georgia. His research and teaching focuses on mental health and substance abuse services for special populations including women, older adults, persons living with HIV/AIDS, persons with co-occurring disorders, and traumatized populations. He is a widely recognized expert on the topic of secondary traumatic stress, having written and presented extensively on the topic. Dr. Bride is a consulting editor and book review editor for *Health & Social Work* and serves on the Editorial Board of *Traumatology*.
