WELCOME TO SMITH COLLEGE!

While the schedule lists activities planned by us, we also encourage you to be independent: visit a class, explore campus, and enjoy our gardens.

**Event locations:** You have two maps in your packet. The smaller one-page map identifies buildings where events are held today. The larger “Guide to the Campus” map identifies buildings by grid location; a letter and number correspond to location.

**Shuttle service** between the Smith parking garage, Indoor Track and Tennis lot, Stables lot, Conference Center, and Sage Hall is available from 8:00 a.m. to 4:00 p.m.

**Program evaluation:** We are interested in your feedback and we will send you an email after Fall Preview with a survey. Thank you in advance for completing the survey and helping us plan next year’s program.
**Attending classes**

Visiting students are encouraged to attend classes today. Look through the *Fall Preview Course List* in your packet and choose a department that interests you. While you’re on campus be sure to check out:

The **Ainsworth/Scott Gymnasium (G4)** complex houses the Dorothy Dalton swimming pool, rock climbing wall, five squash courts, a dance studio, a weight training room and **The Olin Fitness Center**.

The **Indoor Track & Tennis Facility (H4)** houses four tennis courts, a 200-meter track, and equipment for field events. Just down the road from the gym is the indoor/outdoor riding complex. Take the footbridge across from the gymasia complex to view twenty acres of playing fields, an eight-lane 400-meter “Cal-Track,” and twelve lighted tennis courts.

The **Botanic Garden of Smith College (D5)** is comprised of the Lyman Plant House, several herbaceous gardens, a rock garden, and the arboretum. This collection of some 5,000 kinds of plants functions as a teaching tool and as an aesthetic element on the campus.

The **Brown Fine Arts Center (E8)** includes the Smith College Museum of Art which contains objects ranging from the 25th century B.C. to the present, with particular emphasis on 19th and 20th century European and American art. The collection is considered one of the best among college museums.
