Film Showing and Discussion

Smith College, Seelye 201
Monday, March 11, 4:30 pm - 6 pm

This documentary presents perspectives on Buddhism in the midst of Japan’s recovery from the March 11, 2011 earthquake, tsunami, and nuclear disasters. The film explores the role of Buddhism in care for the 3/11 bereaved and the dead based on attention to the everyday lives of Buddhist professionals in the disaster zone.
