LGBTQIA+ RESOURCES of interest

At The Schacht Center, We See You.
The Schacht Center sees students of all genders and identities for routine and urgent medical and mental health care, including support groups and counseling therapy. We know that life can be more challenging when you’re LGBTQIA+. We are here in solidarity and support of all students.

Your Health Care Matters.
We want you to get the best healthcare and information available. We encourage you to reach out.
Call us: 413-585-2250. Counselling: 413-585-2840. Wellness: 413-585-3347
