

Smith College Libraries Annual Report of Donors

July 1, 2010 - June 30, 2011

During the past year the Libraries have benefited substantially from the thoughtfulness and generosity of many supporters. Gifts to the Libraries enhance our collections, allow us to acquire materials and initiate special projects. Thus, the high quality of our Libraries is due in no small part to the enduring interest and support of our friends. **Thank you!**

Every effort has been made to accurately report all donors who have made a gift to the libraries. If we've made an error, please let us know.
