

PACKING LIST FOR SUMMER PRECOLLEGE PROGRAMS AT SMITH

New England is famous for its changing weather, but summers in Northampton are usually warm and sunny, with the occasional rainstorm. Rooms have central air conditioning. We have a house laundry service that provides clean linens. For personal laundry, please bring quarters (coins) for the machines. It costs \$3, total, to wash and dry a load. Each house has washers and dryers. We will provide laundry detergent, to be kept in the laundry rooms of each house. It will be a generic, unscented brand of detergent.

Smith provides sheets, blanket, pillow, towel and washcloth. At registration we will also provide each student with a Smith College t-shirt, a key/card lanyard and holder.

Summer at Smith students may not wear anything that depicts drugs, violence, illegal activities or hate speech. While in class, students are expected to dress for learning in a college environment. Program-specific guidelines are listed below.
