THE ADA COMSTOCK SCHOLARS PROGRAM

www.smith.edu/classdeans/adas.php

The Smith College Ada Comstock Scholars Program combines rigorous academic challenges at Smith with flexibility for women beyond the traditional college age. In the fall of 2016, approximately 100 Ada Comstock Scholars will be enrolled at Smith; the overall student population is more than 2500. The Adas are a remarkable and diverse group of women. They range in age from their 20s to their mid-60s; some are single, some are married. Most arrive having earned approximately 50 transferable college credits in liberal arts courses. The program provides various options: reduced course loads, special academic advising, career counseling and diverse housing options. Financial aid for educational expenses is available to each woman with demonstrated need.

SUPPORT FOR ADAS

The office of the Ada Comstock Scholars is located with the other class deans in College Hall 101. If you have an academic concern or a personal issue and don’t know where to turn, Andrea Rossi‐Reder and the staff in the class dean’s office will do their best to find a solution or will direct you to the appropriate person or office.

Andrea Rossi‐Reder, Dean of Ada Comstock Scholars

Andrea directs the Ada Comstock Program and serves as its class dean. Andrea’s main concern is the academic welfare of each member of the Ada class. As class dean, Andrea provides counseling about academic matters such as transfer credit, fulfilling course requirements, graduation status, and exceptions to academic rules. Students call on her when they need extensions on work and when they experience emergencies that impact their academic life. Andrea also serves as the Sophomore Class Dean. If she is not available and you have an urgent matter another class dean can advise you.

How to Contact the Dean:

Andrea’s office is located within the Class Deans Office, College Hall, Room 101. Her email is arossireder@smith.edu. Individual appointments with Andrea can be scheduled by calling 413-585-4930. During the academic year the Class Deans Office is open Monday, Tuesday, Thursday, & Friday from 8:30 a.m.- 4:30 p.m. except on Wednesdays, from 10:00 a.m.- 4:30 p.m.

You are welcome to stop by to see the Dean during her walk-in hours. The fall 2018 hours are: Mondays 2:00 - 3:30 p.m., Thursday 11:00 a.m. - Noon, and Fridays 10:30 - 11:30 a.m. Walk-in hours are on a first-come, first-served basis. Andrea’s spring 2019 walk-in hours will be announced later in the fall semester on the Class Deans website: https://www.smith.edu/classdeans/
Sidonia Dalby, Associate Director of Admission and Ada Adviser
Sid works in Smith’s Office of Admission recruiting and selecting Adas. She also spends 20% of her time working with Student Affairs as a non-academic Ada Adviser. Sid sponsors regular lunches in Hopkins Lounge for Adas and is available for advice and support. Her email is sdalby@smith.edu and phone is (413) 585-2523.

Karen Sise, Ada Class Cabinet Adviser
Karen Sise, AC ‘10, is the Associate Registrar for Enrollment Services and Operations and volunteers her time to advise the Ada class cabinet. She is available to answer questions about registration and transfer credits at ksise@smith.edu.
THE ADA COMSTOCK CLASS

Ada Student Cabinet

➢ The Cabinet includes a President (or two Co-Presidents), a Vice-President, Treasurer, Secretary, Historian and many other positions.
➢ Elections for the Ada student cabinet are held each spring.
➢ Positions not filled are posted for fall elections, which are held during the first cabinet meeting in the fall.
➢ All Adas can vote for their choices of cabinet members.
➢ The elected members represent you and your voice in the Smith community.
➢ Cabinet meetings are open to the entire class. Cabinet meeting time and location is announced at the beginning of each semester.

Please consider participating in student government. It benefits both the Ada class and the entire Smith community.
FUNDING RESOURCES

Emergency Financial Assistance Information

Small amounts of loan and grant aid for unusual and unpredictable expenses and books over and above the standard financial aid awards may be awarded at the discretion of Andrea Rossi-Reder, Dean of the Ada Comstock Scholars, College Hall 101, 413-585-4930. Please do not hesitate to contact her if you need help. There is a maximum allowed per student.

The Margaret Crofton Balbach ‘62 Fund for Ada Comstock Scholars offers one-time funding of up to $750 to any current Ada during her enrollment at Smith. This money can cover any reasonable, unanticipated expense. Costs are not limited to expenses during the academic year and course work taken outside of the regular semester periods is allowed. Funding is not available for anything that has already been covered by financial aid.

There are other college resources as well. Contact Susan Zachary, Assistant to the Dean of the College, College Hall 203. See website for the Dean of the College: Funding for Students. http://www.smith.edu/doc/funding.php.

The Smith Student Aid Society (SSAS), a separate philanthropic organization, may be able to provide some help with medical emergencies and other unexpected needs. “Beyond Smith” provides up to $400 to help seniors with expenses related to job interviews, registration fees for graduate school, etc. See the website for more details. https://www.smith.edu/ssas/
SPECIAL ADA ACTIVITIES

Peer Mentor Program
This program was developed to assist entering Adas with their transition to life at Smith College and Northampton. The program is operated by current Adas who are paired with one or more entering Adas, providing new Adas an opportunity to become connected to the Ada community before classes begin. Peer Mentors are available to answer questions ranging from logistical issues to basic academic concerns. During orientation, there is a lunch for everyone to meet and there may be other events to support mentorship throughout the year.

Ada Luncheons and Teas
Held every semester, lunches and teas are another way for Ada Comstock Scholars to meet each other. The Ada office subsidizes the cost of the Fall Luncheon for a meal together and a unique opportunity to meet other Adas. Sid Dalby hosts a few small lunches in Hopkins each term for Adas to get to know each other; sign-up sheets are posted in Hopkins.

Lunch with the Deans
The Assistant Dean of Students, Marge Litchford and Ada Class Dean, Andrea Rossi-Reeder, sponsor a luncheon for all AC students in the fall.

Faculty Wine and Cheese Parties with Ada Comstock Scholars
We organize this informal and unique social gathering once each semester as an opportunity for Adas to become better acquainted with their professors. Since Adas provide the food, it gives you a better chance to dazzle faculty and classmates with your culinary expertise!

The Ada Monologues
A recent addition to the list of Special Ada Activities is the Ada Monologues. Fashioned after the renowned Vagina Monologues, Adas write a short personal story of how they arrived at Smith. The stories are read by the authors and if there’s a case of stage fright another Ada may volunteer to read it! The performance is held during or around Ada Awareness Week in the spring semester.
**Senior Send Off**

This event is a very special tradition where Adas gather together to wish the seniors well and to celebrate their upcoming commencement. Some seniors read from their "What I hope to get out of my Smith Experience" statements, which they completed during their initial orientation to the Ada Program. It is a very moving event! Champagne, non-alcoholic beverages, and dessert are served. All non-seniors are highly encouraged to attend. An informal dinner is held for J-grads at the end of fall semester.

**Illumination Night Celebration**

This annual event occurs the night before commencement when the Smith campus is illuminated with Chinese lanterns. A celebration party is held honoring the Ada Comstock graduating seniors. This party is open to all Ada Comstock Scholars, their guests, and Ada alums.

**CAMPUS LOCATIONS TO RELAX & STUDY**

**Ada Comstock Lounge ~ Hopkins House garden-level**

An on-campus lounge for exclusive use by Adas is located in Hopkins House. Amenities include a kitchenette, bathroom, television, computer, couches, lockers, tables and chairs. This is an excellent area for Adas to meet, eat, and relax. There is also a view of Paradise Pond! Hopkins Lounge is available to all Adas 24/7 during the school year and can be accessed with the Smith OneCard. Kids accompanied by parents are welcome in Hopkins Lounge, but please be respectful of people who are trying to study.

**Campus Center**

This unique space contains the mail center, meeting rooms, Grécourt Bookshop, and the Campus Café where Adas can gather informally for lunch or grab a meal on the go.

**Seelye Hall Basement**

There are a lot of postings on the bulletin boards that are located in the basement of Seelye Hall including postings for used books, odd jobs, lectures, and other announcements. This is also where the Technology Learning Commons is located (see below).

**The Technology Learning Commons (TLC)**

The TLC is Smith’s staffed computer lab on campus. Located in the basement of Seelye, the TLC also has tables, couches, chairs, and whiteboards available in addition to several computer and scanning stations.
**Campus Lounges**
Here’s a list of places where one can study or simply relax. Or have fun exploring the campus and find your own favorite spot!
- Clark Corner Sabin-Reed Hall
- The Gamut Performing Arts Center Green Street
- Bass Hall Yellow room
- Smith Museum Atrium
- Wright Hall
- Ford Hall Atrium
- Graham Hall

**Athletic Facilities**
The athletic facilities at Smith College are extensive and offer a nice break from a hectic study schedule. The combination of two gyms with a fitness center, swimming pool, rock wall and squash and tennis courts, and an indoor track, affords opportunities for participation in many sports.

All of these facilities are available to Ada Comstock Scholars with your Smith OneCard. Family members may use the facilities when accompanied by a student, and there are designated hours for family swim. Smith students may bring up to three guests to the gym. Towels are available with your OneCard.

With a Smith OneCard, students can also check out various pieces of equipment including but not limited to:
- Tennis or squash rackets
- Volleyballs
- Rollerblades

Be sure to also check out free fitness classes offered through the Get Fit Smith program. Classes include yoga, Pilates, Zumba, spinning, and much more. Schedules are posted at the beginning of each semester. See smithpioneers.com for more information, or “like” Get Fit Smith on Facebook.
CAMPUS ATTRACTIONS

Smith College Museum of Art
The collection started in 1879 and includes art from all periods, with a special strength in 19th century American and French works. The Museum provides gallery talks, special exhibitions, lectures, and occasional bus trips. There is a gift shop with many unusual gifts.

Lyman Plant House & Surrounding Gardens
The Smith campus is an arboretum, designed by noted architect Frederick Law Olmsted, and most of the trees and shrubs are labeled. Make sure to pay a visit to the Botanic Garden and Lyman Plant House. Banana trees with ripe bananas and orchids in full bloom are inspirations during dreary winter days. There are plant shows every March and November.

Paradise Pond
The small pond, which flows with the Mill River, provides a place for fun water or ice activities during each season. Canoes, rowboats, and kayaks are available at no charge from the Boat House. Check out a boat on a sunny day and study as you float on the pond.

♦ Your Smith College OneCard is needed to check them out
♦ If you want to rent a boat, you must take a swim test; tests are given in the fall
♦ Canoes may be used only by those who take a canoeing test on Paradise Pond

Winter Activities:
♦ Ice-skating when the pond freezes!
♦ Never assume that the ice is completely frozen; heed posted warnings
♦ Prefer land? Try the scenic walking/running path around the pond
SMITH COLLEGE HEALTH INSURANCE PLAN

Massachusetts requires that all full-time and part-time students are covered by a health insurance plan. The Smith health insurance plan is provided by Gallagher Student Health and Special Risk. Each active Smith student is automatically enrolled in the annual student health insurance plan and charged half the cost each semester. This fee may be waived if your or your insurance is comparable to the Smith health insurance plan.

Please link to the Student Financial Services website for detailed information and important deadlines regarding Health Insurance requirements. Instructions on how to enroll or waive the insurance is sent by email by the Student Financial Services office but the waiver/enrollment is completed online with Gallagher.

https://www.smith.edu/sfs/insurance.php

https://www.gallagherstudent.com/students/student-home.php?idField=1040

Ada Comstock Scholars with personal insurance (NOT the Smith College Health Plan) are eligible to visit and see a Smith College Health Services physician, nurse practitioner, or counselor if needed. However, you MUST have completed and returned your pre-admission health form you received prior to entering Smith.

Smith College Health Services are located at 21 Belmont Avenue and can be reached at 413-585-2811 (see also: http://www.smith.edu/health/index.php)

Excluding dependents, Ada Comstock Scholars with private health insurance plans may still use Health Services. The website below contains a breakdown of coverage and fees. http://www.smith.edu/health/medical_fees.php
OTHER INSURANCE

Note to members of Health Maintenance Organizations or other pre-paid health plans: Investigate the details of your plan regarding reimbursement for care received “outside” that plan (i.e. from Smith Health Services). You may wish to continue your association with another health plan through COBRA. Contact that organization.

The Role of Ada Comstock Scholars in the SGA

➢ Ada Comstock Scholars elect students to represent their interests in the SGA in the following positions:
  ♦ Class President or Co-Presidents – sits as Ada class representative on SGA
  ♦ Class Vice President – Ada class representative to student Senate
  ♦ 2 senators to represent the Ada class. Adas have the opportunity to hold other senate positions which are elected in the campus-wide general election.

Committees
The SGA announces open committee positions in early September. This is an opportunity to become involved with student, faculty, or administrative committees which can offer knowledge and experience beyond that learned in the classroom. There are positions on the following committees that one can apply to: the Curriculum Committee, The Honor Board and the college conduct board for Adas (the college conduct board requires that you have an accumulation of 64 credits in order to apply).

Student Clubs and Organizations
The SGA allocates a large amount of its yearly budget to more than 100 student organizations and clubs of various kinds, including departmental major clubs. Majors with clubs meet regularly and are also open to non-majors. Club meetings are posted on bulletin boards. The Smith Social Network (https://socialnetwork.smith.edu) is a great way to find an organization and to interact with other members online.
SMITH TRADITIONS

**Campus Colors**
According to the college archives, the college color is white--hence, the white dresses for Ivy Day and the Alumnae Parade. In the 1970s, the athletic teams began wearing blue and white for competition (blue uniforms were easier to clean). The logo uses the colors blue and gold for a modern look on the traditional white.

**Convocation**
Convocation takes place the night before the opening of classes in September. The faculty marches in wearing academic robes. There are a few short speeches by the president of the college and Student Government Association (SGA), music by the Smith College Glee Club, and lots of cheering. It is a loud and raucous beginning for the year. Adas usually sit together in front.

**Mountain Day**
Mountain Day is a surprise college holiday during the fall semester. Smith’s President chooses a beautiful fall day at random, and announces that classes are cancelled by ringing the college bells. All students are encouraged to enjoy the outdoors. The college provides picnic lunches for students living on campus. Adas usually create a phone tree system to notify each other, especially those living off-campus.

**Otelia Cromwell Day**
Every November, Otelia Cromwell Day honors Smith’s first African-American graduate with an annual day of workshops, lectures, films, and entertainment. Afternoon and evening classes are cancelled so students can attend the events. The symposium continues the college’s efforts to create a diverse and multicultural community.

**Rally Day**
Rally Day is a college holiday held in February, celebrating the Smith community. The college President awards ‘Smith College Medals’ to distinguished alumnae, and a prominent speaker addresses the student body. Rally Day is also the first day seniors may wear their commencement robes. Instead of mortarboards, the seniors wear colorful, fun hats of their own--the more outlandish, the better!

**Ivy Day**
One of the special events on the Saturday of Commencement Weekend brings together seniors and alumnae to celebrate the students’ transformation into alumnae. The day begins with the alumnae march, from the oldest to the youngest classes, through two lines of seniors wearing white dresses and holding roses. After the march, junior ushers, carrying a laurel chain, symbolizing the college ivy, lead the seniors into the Quad where the graduating class plants ivy sprigs at the base of a campus building. Prizes and awards are announced by chief administrators.
Smith College provides computer resource centers for students in multiple locations across campus. All student resource centers are equipped with Macintosh computers, Windows computers, and laser printers.

In the resource centers, students can access Microsoft Office for Macintosh and Windows, academic courseware, Five College library resources, and internet resources including TARA (Technology And Resource Advisor), the ITS self-help website, http://www.smith.edu/its/tara/

There are staffed and unstaffed student resource centers. Your Smith OneCard provides door access to the unstaffed 24-hour centers. Visit the ITS web site for hours and locations. For further information about these resource centers, contact the Resource Center Manager, 585-3099.

Beginner and advanced workshops are available throughout the academic year. There is also a computer purchase plan available for students. Call the Computer Store at 585-3027 for information.

GRECOURT BOOKSHOP ~ Campus Center, lower level

The bookstore sells new and used textbooks, school supplies, book bags, and sportswear.

**Tips when purchasing books**

➢ Attend classes before purchasing your books and save your receipts!
➢ Be sure you are buying the exact edition your professor requires
➢ Expect long lines at the beginning of each semester!
ADA COMSTOCK SOURCES OF INFORMATION

Web Sites
➢ The Smith College website at www.smith.edu includes links to the Lazarus Center for Career Development, BannerWeb, course information, libraries, college offices, etc. You can find information about most administrative offices and academic departments.
➢ The Smith Social Network features an Ada Comstock page. This is a very important source of information about upcoming Ada events and campus-wide events and news. Student leaders and Student Life staff will also post here regularly. https://smith.collegiatelink.net/
➢ The Ada Comstock Class Facebook pages are great ways to connect with other Adas, whether they are current, prospective or already graduated. https://www.facebook.com/ada.comstockclass https://www.facebook.com/groups/adacomstockscholars/
➢ The Smith Portal is a customized web site from which Smith students, faculty, and staff can access many Smith web-based services and information sources from a single sign-on. https://portalsmith.edu/

ID CARDS, MAIL, LOCKERS, ETC.

Identification Cards
The Smith OneCard is the Smith College ID card issued to all Smith students, faculty, and staff. In addition to identifying your status at Smith, your OneCard is your interface to the OneCard Transaction System which supports a variety of services on campus, including:
➢ Library circulation
➢ Dining services in Smith residence houses
➢ Door access
➢ Access to Campus Cash
➢ Printing from campus computers

The Smith OneCard is also the only accepted means of identification for the following activities:
➢ Receiving exams
➢ Writing checks in the bookstore
➢ Using athletic equipment and facilities
➢ Receiving student rates for college activities
➢ Activities and facility use at the other four colleges

If your card is lost or stolen, notify the college immediately. A replacement card will be issued for a fee. Go to http://www.smith.edu/its/onecard/index.html for further information.
Campus Mail and E-mail
All on campus mail will be delivered to the mail center in the Campus Center. If you have mail you will be notified via email. In addition, important college information will be sent to your Smith email account. It is important to read all notices that are sent to you! Check your Smith email often. It is essential to keep the registrar and the class deans’ office informed of any name or address changes.

Lockers ~ where can I find them?
➢ Ada Lounge in Hopkins House
   ♦ 40 lockers available on first come basis
   ♦ Supply your own padlock
   ♦ Contact Ada Comstock Coordinator or cabinet

➢ Small gym-size lockers available in the Ainsworth/Scott Gymnasium
   ♦ Register at the main office on the first floor of the gym
   ♦ Minimal deposit

➢ Unassigned lockers in the women’s locker room in Ainsworth Gym
   ♦ You must register at the main office
   ♦ Supply your own padlock and the locker is yours for the year

➢ 15 lockers, specifically for Adas, available in the Seelye Basement
   ♦ Available on a first-come basis
   ♦ Supply your own padlock
   ♦ Contact the Ada Comstock Coordinator if you need one
NOTE: This section contains information collected by Adas that may be useful as you in settle in the Northampton community. The following information is meant to include tips and contact information, not endorsements. If you discover errors, please do not hesitate to contact the Ada Class Coordinator with corrections for the online handbook. Unless otherwise noted, ALL PHONE NUMBERS ARE IN NORTHAMPTON, AREA CODE 413; Springfield, Greenfield, and other outlying towns are outside the local area and you will need to dial 1-413.

Always your best bet...

**Swap Services**
If you know how to cut hair, sew hems, fix bikes, or baby-sit, trade your expertise with another Ada who can help you with your needs. Helping each other is the most important service we can provide, even if helping is simply quizzing an Ada on her test material. Companionship and support have great value.

**Northampton Freecycle**
Is an online network where you can connect with other members who are getting rid of unwanted items that you may need, or who want items you have to give away. ALL items posted are 100% FREE. Freecycle allows for personal contact between donor and recipient. The donor gets rid of some clutter and the recipient gets something they need for free, reducing the volume of trash. Go to [http://groups.yahoo.com/group/FreecycleNoho/](http://groups.yahoo.com/group/FreecycleNoho/) for more information.

**UMASS Five College Credit Union.** 243 King Street / Suite 105. 256-5500. (ATM in lower level of campus center).

Childcare

Since childcare needs vary greatly depending upon the ages of your children, your childcare needs must be met individually. Northampton does have a fair number of day care centers and pre-schools. Northampton and Amherst are packed with a variety of extra-curricular activities for children of all ages. The public libraries are a good place to find brochures about on-going programs, vacation and summer camps, and workshops of all kinds. The Daily Hampshire Gazette and the weekly Advocate (free around town) newspapers are good sources as well. Here are a few other suggestions:

**Alternative Childcare (babysitters).** One of the most effective ways to find babysitting resources for times when your child may not be at day care is to talk to other Adas who have young children. If they don’t have suggestions for babysitters, they might be willing to share childcare, with each parent taking turns. You may also find traditional students who are very willing to baby-sit.

**Appletree Cooperative Nursery School.** Main Street, Haydenville. 268-7434.
**Cloverdale Cooperative Nursery School.** 130 Pine Street, Florence. 586-1106

**Community Action!** Hampshire County, 56 Vernon Street, Northampton, 582-4230, Fax: 582-4248. Franklin County, 393 Main Street, Greenfield, 774- 2318, Fax: 773-3834.

Finding Housing

Finding off-campus housing in Northampton is easier with the help of these websites.

Craigslist Western Massachusetts. http://westernmass.craigslist.org/

Rent NoHo – This is through a broker, but has a lot of listings. http://www.rentnoho.com/

UMass Off Campus Student Services – a good resource for both finding places to rent and connecting with incoming graduate students looking for co-renters. http://www.umocss.org/

Housing Assistance

NOTE: A word of advice to anyone thinking of applying for subsidized housing. The waiting list for most of these programs can be a year and a half or longer. Subsidized housing is most difficult to find in Northampton, but easier in surrounding towns.

Housing Allowance Program. If you are eligible for subsidized housing, the Housing Allowance Program located at 135 State Street in Springfield (1-800-332-9667) is probably the best agency to turn to for help. Eligibility is determined according to family size and income/eligibility criteria is very broad. Under this program, one pays a percentage of income towards rent directly to the landlord, while the Housing Allowance Program pays the remainder through a state subsidy.
Northampton Housing Authority. The Northampton Housing Authority has two developments – one in Florence and one in Northampton (on Bridge Road off King Street). Selection is determined by income and availability. In addition, there is also scattered site housing available, whereby the tenant can locate an apartment in the community and obtain financial assistance similar to the Housing Allowance Program. For more information about Section Eight housing in Northampton, contact the Northampton Housing Authority at 81 Conz Street, Northampton, 586-0170. These apartments are usually full and have a waiting list.

**Things to Do**

**Parks**

**Arcadia Nature Center and Wildlife Sanctuary.** A Massachusetts Audubon Society reserve open to the public for a minimal fee. There are easy hiking trails throughout, which also provide for cross-country skiing during the winter. A Natural History Summer Day Camp is available for children. Route 10 between Northampton and Easthampton.

**Childs Park.** This park is approximately one mile from campus and is a lovely, relaxing place
to eat lunch, study, or take a leisurely bike ride. Elm Street (Route 9), Northampton.

**Daughters of the American Revolution (DAR) State Forest.** Located on the western edge of the Pioneer Valley, DAR is best known as a camping and swimming recreational area. Within its acreage, however, are about 14 miles of foot and bridle trails and gravel & dirt roads. The most direct way to reach the forest from the Northampton area is to follow MA-9 (Berkshire Trail) 15 miles to Goshen and turn right (north) onto MA-112. The well-marked entrance to the forest is located on the right about a mile up. During the summer months, a small fee is charged for parking.

If you wish to avoid the parking fee, your other option is to drive north on Rt. 112 and then east on Rt. 116. From South Ashfield, follow paved Williamsburg Road south for about 3 miles and then turn right onto Ludwig Road taking you to the park’s west boundary and a gate. This information is taken from Hiking the Pioneer Valley, by Bruce Scofield.

**Look Memorial Park.** A year-round recreational park with picnic areas, tennis courts, miniature golf, outdoor theatre, duck pond, sprinklers in the summer, and other recreational activities. Cost is just a few dollars per car, with inexpensive season passes available. Just a couple of miles west, on Route 9, Florence.

**Northampton Bike Path.** This paved trail originates at the end of State Street and meanders several miles through wooded areas and Look Park into Leeds. A great place to bike, rollerblade, jog, or take a leisurely walk without the noise of traffic.

**Norwottuck Rail Trail.** A ten-mile path linking Northampton, Hadley, and Amherst along the former Boston and Maine Railroad right-of-way. Originates on the west side of the Connecticut River near the Coolidge Bridge (Route 9) and leads into Amherst. Part of the Massachusetts State Park system.

**Skinner State Park.** Approximately 7 miles from Smith, following Rt. 47 to South Hadley. The summit offers a view of the Valley that is well worth the trip. You can drive to the top or park at the halfway point and climb the rest. There is a hiking trail along the mountain range. Think about making this trip on Mountain Day.

Transportation

Travel Ideas

In addition to the Chamber of Commerce, there is a travel information booth on King Street in Northampton, across from the Hotel Northampton. It’s a good source of information both for the Pioneer Valley area and the rest of New England.

Airports

Albany International Airport. Located about 2 hours West of Northampton. Easy access and parking; Southwest hub.

Bradley International Airport. North of Hartford, CT, Bradley (BDL) is approximately one hour from Smith. Bus service (Peter Pan) is available on a regular basis, at about $35 each way. Also, The Valley Transporter is a good source for a ride to the airport. The Smith SGA runs an airport shuttle during specific peak times (Thanksgiving and Winter Break), to Bradley.

Logan International Airport. Located in Boston, MA, approximately 2 hours from Smith.

Buses

The Five-College Bus System. This service is a subset of the bus services offered by the pioneer Valley Transit Authority (PVTA) and runs on a regular basis between the University of Massachusetts, Smith College, Amherst College, Mount Holyoke College, and Hampshire College. It is free to all riders during the school year, but during the summer there is a fee. The Smith College buses stop in front of John M. Greene Hall on Elm Street. Schedules are posted on the bulletin board there and are available on the bus. This service facilitates taking courses at the other colleges, as well as getting to know the area. For a map of bus routes within the Five College bus system, see https://www.fivecolleges.edu/bus. All Five College and other area bus schedules are posted at the PVTA website, http://www.pvta.com/.
**Pioneer Valley Transit Authority (PVTA).** The PVTA provides local bus service to area communities: Amherst, Florence, Holyoke, Springfield, Williamsburg, etc. PVTA trips that are not part of the Five-College Bus System are not free to students. All school and summer schedules are posted at [http://pvta.com/](http://pvta.com/).

**Peter Pan Buses.** One Roundhouse Plaza, Northampton. 586-1030, and 79 Amherst Street, Amherst. Hourly departures to Springfield, Boston, and New York City; also New England destinations, including Cape Cod. Make sure to ask for the student discount.

**Taxis**

**GoGreen Cab.** 2 Conz Street #34, Northampton. 586-0707.

**Valley Transporter.** Specializes in transport to Bradley Airport. 479 West Street #15, Amherst. 253-1350.

**Trains**

**Amtrak.** (1-800-872-7245 for schedules and reservations) Starting in 2015, there is one train available from downtown Northampton. Many more options are available from the larger station located in Springfield. Service to Boston, New Haven, and New York is available.

**Metro-North.** [http://www.mta.info/mnr](http://www.mta.info/mnr). If you can get a ride to new Haven, this train into NYC is only about $20 return. Parking right next to the train station is $11 for every 24 hours.

**Zip Cars**

**Worship**

The local newspaper, the Daily Hampshire Gazette (584-5000) publishes a list of area churches, temples, and synagogues every Friday, with service times. The Helen Hills Chapel on campus offers several services every week, both nondenominational and specific religious groups), including an hour of silent meditation. Check the Chapel's calendar, posted on their website, for details: [https://www.smith.edu/religiouslife/](https://www.smith.edu/religiouslife/) 585-2750.
Words of Wisdom

Schedule time to relax. Exercise is a great stress-buster.

Explore town and campus to find your own favorite places.

Talk with your professors – go to their open hours. For many, Adas are their favorite students.

Don’t wait to ask for help. Never worry alone.

Enjoy yourself and your life at Smith. The time will fly by, so try not to have regrets.
Get to know other Adas--and traditional students, too.

Take one step at a time; focusing on huge projects can be overwhelming. Just start... and plug away a little at a time.

Get involved your first year. Go to Convocation, Rally Day, Otelia Cromwell activities, etc.
Climb a mountain or pick some apples on Mountain Day.

Remember that you do not need to attend everything – pace yourself.

If you are from a warmer climate, prepare yourself for winter weather (invest in good boots, hats and gloves).

Read your emails so you will have a heads up about events, deadlines and opportunities!

If you live on campus, try to get off campus when you can.
If you live off campus, try to get on campus when you can.

Try to get settled before the semester begins.

Take naps, when need!!!
