The Smith Fund Scholarship Program

The Smith Fund Scholarship Program is an opportunity through The Smith Fund to provide direct and immediate scholarship support to students.

For alumnae who have passed their 25th reunion

• A gift of $25,000 will help make a Smith education accessible to a student of exceptional potential regardless of her financial means.
• Your scholarship will be named in your honor and matched with a current student.
• Your gift can be designated to support one of the following:
  1. Financial aid for any Smith student
  2. Financial aid for an Ada Comstock Scholar
  3. Financial aid for an international student
• A $25,000 scholarship covers more than half of the average aid package at Smith.

Additional benefits

• You will receive a letter from the college introducing you to a scholarship recipient.
• Your gift will be recognized in your class dollar totals and in class participation figures.
