Discounts on vision materials may not be applicable to certain manufacturers’ products. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see online provider locator to determine which participating providers have agreed to the discounted rate. Member receives a 20% discount on items not covered by the plan at In-Network locations. Discount does not apply to Provider’s professional services, or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. Service and amounts listed above are subject to change at any time. The Plan reserves the right to make changes to the products on each tier and the member out-of-pocket costs. Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Fees charged by a Provider for services other than a covered benefit must be paid in full by the Insured Person to the Provider. Such fees or materials are not covered under the Policy. Benefit allowances provide no remaining balance for future use within the same Benefit Frequency.
