PROJECT EXPERIENCE

NAME OF CLASS, PROFESSOR Northampton, MA
NAME OF CLASS PROJECT Jan. 2017 - Present

- Start with an action verb *or* skill, say how you implemented that skill (if it was "Researched" then how did you research? Did you use lexus nexus or another database?, Who did you work with? (Individually or part of a team?), and what the impact/outcome/achievement of your research was?
- Each bullet point should describe a skill, action, and result!

NAME OF CLASS, PROFESSOR Northampton, MA
NAME OF CLASS PROJECT Sept. 2015 – Dec. 2015

- Conducted water tests to assess factors influencing mercury concentration
- Analyzed data to form hypotheses regarding correlations between chemical components and mercury concentration, and compiled a poster, abstract, to be report presented at the Geological Society of America annual Northeastern meeting

PROFESSIONAL EXPERIENCE

Ralph Lauren Kittery, ME
Sales Associate June 2014 – Aug. 2015

- Awarded "Employee of the Month" during the first month of employment for excellent customer service
- Planned with General Manager and several Assistant managers during shifts to delegate tasks to employees

Art Practical, Bay Area Art Publication Berkeley, CA
Editorial Intern June 2012 – August 2013

- Fact-checked and uploaded issue content to organization's website using Expression Engine
- Integrated subscription databases for *Art Practical* and *Daily Serving* following the merger of both publications by identifying database fields, populating new database, and creating new subscription subsets in Excel. Researched email subscription services and uploaded newly integrated database to new service.
