

## PACKING LIST FOR SUMMER PRECOLLEGE PROGRAMS AT SMITH

New England is famous for its changing weather, but summers in Northampton are usually warm and sunny, with the occasional rainstorm. Rooms are not air-conditioned, but box fans are provided. We have a house laundry service that provides clean linens each week. For personal laundry, please bring quarters (coins) for the machines. It costs \$3, total, to wash and dry a load. Each house has washers and dryers. We will provide laundry detergent, to be kept in the laundry rooms of each house. It will be a generic, unscented brand of detergent.

**Smith provides a box fan, sheets, blanket, pillow, towel and washcloth.** At registration and check in we will also provide each student with a Smith College t-shirt, a key/card lanyard and holder and a composition notebook.
