The motion passed.

B. Motion 25: to accept the proposed change to the T&P Policy regarding removal for cause, as described in item 7A: add “clear and convincing” as the standard of evidence.

Motion 25 passed (71 votes: 65 for, 3 against, 3 abstentions).

C. Motion 26: to accept the proposed change to the T&P Policy regarding new evidence after a unit vote on tenure and promotion, as described in item 7B: *in the event when new evidence – apart from dossier updates that candidates or units provide within the established timeframe – comes to light after the unit vote and before the trustee vote, establish a clear sequence of steps and a threshold of impact before such evidence would be brought to T&P. If such evidence would change the voting outcome overall unit vote (including changing a unanimous vote to non-unanimous, or vice versa), it may be brought forward to T&P by the unit, not by an individual, in writing. As per usual practice, candidates would be notified.*

Motion 26 passed (72 votes: 63 for, 2 against, 7 abstentions).

D. Motion 27: to accept the proposed change to the T&P Policy regarding removal for cause, as described in item 5E: specify an industry-standard definition of “cause.” The revised (from Motion 20) language states that:

Removal for cause may occur as a result of the commission of a crime, acts or threats of violence, other gross misconduct (including but not limited to dishonesty to the college, plagiarism and other acts of academic dishonesty, sexual harassment and other forms of prohibited discrimination against college community members), gross negligence, repeated or gross violations of applicable college policies, or the unwillingness or inability to perform required faculty duties.

Motion 27 passed (72 votes: 66 for, 5 against, 1 abstentions).

E. Susan Levin moved on behalf of the Subcommittee that faculty accepted the revised Policy of Tenure and Promotion.

The motion passed (70 votes: 65 for, 1 against, 4 abstentions).

Respectfully submitted,

Fraser Stables
Secretary of the Faculty
