JPN 220 01, 02 Ford 240
KOR 101 02, 03 McConnell 103

Students who become too ill to write an examination should report to Health Service before the examination is scheduled to begin. If a student becomes ill during an examination, the student should leave the incomplete examination materials with the instructor and go directly to Health Service, not to their house. Health Service will notify the registrar and class dean of the student's illness.
