

## View Student Info and Address

(This information about a student may be viewed regardless of whether she is one of your students or one of your advisees.)

### VIEW STUDENT INFORMATION:

- ❖ The Faculty Student Information page allows a faculty member to view student information such as class year, major and registration status for a selected term and student.
- ❖ If any of the fields appear blank, there is no related information for the selected person stored in the database for that particular field.
- ❖ This information for students enrolled in your courses can also be viewed by clicking on the student's name in the Class List view.

### ADDRESS:

#### View Address(es) and Phone(s) - Select Type

 Select the address type and click View Address(es)

Type of Address:

On Date:  (MM/DD/YYYY format)

You may view a student's address by clicking on the pull-down menu and selecting the address type. Then click "View Address".
