

Department of Religion Prize Submission Sheet

The Religion department will determine which prize category a given paper fits should it be deemed prize-worthy. More than one paper may be submitted by a student and a student does not need to be a Religion major to submit a paper. This sheet must accompany all submissions. Be sure to remove all identifying information from the body of your paper.

Please complete the information below and include it with your submission. Submissions are due by email attachment to Phoebe McKinnell (pmckinnell@smith.edu) by 2 p.m. on the last day of the study period of the spring semester.
