

Sustainable Smith LANDFILL

YES

Plastic straws
and utensils

Wrappers

Non-Smith
hot
beverage
cups

Non-Smith
beverage cup lids

Styrofoam

Plastic wrap

Solid-
colored
cups and
containers

Foil sandwich wrap

Compost these!

Smith dining containers, utensils,
and straws are compostable!

Recycle these!

Clean plastic (clear) and foil
containers, cans and cartons

All paper -
cardboard and
paperboard

BE A ZERO WASTE WHIZ!

Got compostables or recyclables in your hands?
Throw them in the right bin and not in here!

Landfills and incinerators are disproportionately located in low-income and BIPOC communities, causing undue health impacts (asthma, etc.) to those community members

Please contact ceeds@smith.edu with any questions or comments
