

Interpreters for Discovery Weekend/ Open Campus

April 11-13, 2019

Interested in working with the Admissions Office to make Discovery Weekend and Open Campus more language accessible? This year, the admissions team agreed that it would be great for prospective students and parents to be able to ask their questions in the language they are most comfortable in.

We are hoping to offer as many languages as possible!

For those who are interested but are worried about not knowing enough about “Smith facts” or things of that nature, we will have meeting dates where Cara and Daisy (the two Multicultural Interns) go over the “most commonly asked questions.”

This weekend can be as much, or as little, commitment as you would like to make it!
