## About this directory

Smith College administration, faculty and staff listings are maintained by the Office of Human Resources. This information is used for the payroll process, and therefore legal names must match what is on file with the IRS. Due to practical limitations, employee requests for modifications cannot always be accommodated.

This directory is an internal document for the use of members of the Smith College community in the conduct of their Smith-related business. Selling or giving the directory to outside organizations or individuals is strongly discouraged.
