

FILMING AND PHOTOGRAPHY AT SMITH COLLEGE

Founded in 1871, Smith College is the largest undergraduate women's college in the United States and a leader in liberal arts education. Smith provides access to film crews and photographers when those activities are in keeping with the mission of the college and when they do not conflict with the college's primary activities of teaching and research. Access will be denied if the presence of a film crew is deemed to be disruptive or if the planned use of the footage or images is not in keeping with Smith's educational mission.

Permission for any filming or photography must be granted by the Office of College Relations prior to filming. Film crews/photographers must provide an application, provide proof of insurance, and pay access fees to Smith at least four weeks prior to the start of filming. In cases of a sustained project, access approval must be obtained for each filming session on Smith property.

Request for access

All applications for access should be made in writing to the Media Relations Director, Office of College Relations, Smith College, Northampton, MA 01063. Fax: (413) 585-2174.

2. Film crew/photographer agrees to obtain the consent of all persons who are the subject of filming or photography or blur the images of such persons so that they are not personally identifiable. 7. Electrical outlets will be provided up to a safe amperage load, based on the capacity of facility circuits. If equipment used by the film crew/photographer exceeds normal limits, generators must be provided at the crew's expense.

All insurance required hereunder shall name "The Trustees of Smith College, its agents, its employees, and its assigns" as additional insureds and shall contain a clause requiring written notice to the College thirty (30) days in advance of the cancellation, non-renewal, or material modification of said insurance as evidenced by return receipt of United States certified mail. Certificates of insurance shall be supplied contemporaneously with the execution and delivery of this section.
12. To the fullest extent permitted by law, film crew/photographer will indemnify and hold harmless Smith College, including its current and former trustees, officers, directors, employees, volunteer workers, agents, assigns and students from and against claims, government action, damages, losses and expenses, including but not limited to attorney's fees, arising out of, or from its performance under this Agreement, including the acts of its employees, whether or not caused in part by parties indemnified herein. Such obligation shall not be construed to negate, abridge or reduce other rights or obligations of indemnity that would otherwise exist in the absence of this Agreement.
13. No party to this Agreement shall, without express written consent in each case, use any name, trade name, trademark, or other designation of any other party hereto (including contraction, abbreviation or simulation) in advertising, publicity, promotional, or any other activities or context. This prohibition extends to the visibility of Smith College marks in the film that is the subject of this Agreement.
