## Accommodation Expectations:

- Must apply early for university-affiliated housing.
- Students should choose "mid-range" priced accommodation - not the most expensive and not the cheapest, but somewhere in between. In most cases, mid-range will be rooms in flats where you may or may not have your own bathroom (aka: en suite) and where you'll have to cook for yourself (aka: self-catered).

## Visa:

- All students applying directly to host schools/universities will be required to obtain their own visa.
- It is very important that students begin this process early, as it may take a several months to obtain. This is especially true for International Students.
- We recommend students use a service, such as Perry International [www.perryvisa.com](http://www.perryvisa.com)
