**Accommodation Expectations:**

| Must apply for accommodation by posted deadline. Students should choose "mid-range" priced accommodation - not the most expense and not the cheapest, but somewhere in between. In most cases, mid-range will be rooms in flats where you may or may not have your own bathroom (aka: en suite) and where you'll have to cook for yourself (aka: self-catered). |

**Accommodation Application Deadline at University of Exeter:**

| Students should apply for accommodation as soon as they have been accepted to the University. |

**Visa:**

| All students applying directly to host schools/universities will be required to obtain their own visa. |
| It is very important that students begin this process early, as it may take a several months to obtain. This is especially true for International Students. We recommend students use a service, such as, Perry International [www.perryvisa.com](http://www.perryvisa.com) |
