We all read the news in different forms: as ticker tape under the tv broadcaster, in newspapers, on Facebook, twitter or as blog posts. But we often read it alone.

SWG members invite you, THE WHOLE SMITH COMMUNITY, to join a more collective setting in Duckett Dining Hall over a Friday lunch to read the news: that is, decipher it, ask questions, give reactions, add new frames, in a sense, re-write the news.

For those not on the meal plan, primarily staff and faculty, your lunch is on us.

Place: Duckett Room B,
Time: 12:10 until the news is read

Fall Fridays September 12 –November 21
