Women and the Secret Life of Money

Christian McEwen

Between 2009 and 2014, Christian McEwen interviewed more than 50 women about their relationship to money. That project culminated in a play as well as numerous presentations and events. At this talk, McEwen will read a selection of the original money stories, exploring the “lies, secrets and silences” that are concealed beneath our customary discomfort, and will share some of her own discoveries along the way.
